**Subject:** Fw: Dissolved Hydrocarbon analysis (RSK175) results for Dimock Residential Groundwater SDGs 12046B and 12047A

Robin,

I am spending a great deal of time trying to find files to review and upload. Please put the SDG number on the directory where these files are being saved and if possible sort the files into the appropriate SDG directory. This would include the raw data as well. I just can not upload the files based on when they arrived since I need to do the blank verification.

Cindy
